

Welcome to Year 6!

About myself

- Most of you know me already.
- Prior to teaching Year 5/6 at Endsleigh I had spent three years as a Year 6 teacher.

Our aims for this year

- I will support your children in achieving their learning goals.
- I will help your children prepare and take part in the end of KS2 assessment tests.
- I will make sure they are prepared to move on to secondary school.

English - Writing

- We will be covering a number of different text types and genres.
- Moving writing on through redrafting and improving.

English - Reading

- Guided Reading
- Extra reading sessions.

Year Six

What's gone?	What's been added?
<ul style="list-style-type: none">•Detail of problem solving processes no longer explicit•Divisibility tests•Calculator skills move to KS3•Rotation moves to KS3•Probability moves to KS3•Median/mode/range no longer required	<ul style="list-style-type: none">•Compare and ordering fractions greater than 1•Long division•4 operations with fractions•Calculate decimal equivalent of fractions•Understand and use order of operations•Plot points in all 4 quadrants•Covert between miles and kilometres•Name radius/diameter and know relationship•Use formulae for area/volume of shapes•Calculate area of triangles and parallelograms•Calculate volume of 3-d shapes•Use letters to represent unknowns (algebra)

Year Sixcontinued!

What's gone?	What's been added?
	<ul style="list-style-type: none">•Generate and describe linear sequences•Find solutions to unknown problems
