

## News

P.E will be on Wednesdays and Fridays. The children will need to have an indoor and outdoor kit in school every day.

Reading Books: Books are changed on a Monday and Wednesday. Please read at home each day and sign your child's reading record and reading bookmark. Completed bookmarks will be entered into the prize draw at the end of the year.

Water bottles: Please provide your child with a water bottle filled with fresh water each day.

As musicians we will be: Appreciative and understand a wide range of high quality live and recorded music drawn from different traditions and from great composers and musicians.

As designers and artists we will be: be designing, creating and making bread that the Saxons would have made. In art we will be making a decorated Saxon clay pot and studying European artists.

In PE we will be:

Be taking part in gymnastics and outdoor sports as well as working with specialists from St Mary's.

As authors and readers we will be: Looking at adventure writing linking this to the Saxons. We will be writing a recount of life in the Saxon ages. We will be creating an explanation text about a life cycle of an animal. Our class read is Beowulf, Grendel and the Dragon.

As mathematicians we will be:

Continuing to improve our mathematical skills in all of the four number operations and developing our reasoning and problem solving skills. We will continue to build on multiplication and division, measurement (money, time, mass & capacity), statistics, fractions and geometry.

In RE we will be looking at:

Journeys, Listening and Sharing and Giving All.

In computing we will be:

Looking at presenting and being videoed in our work and presenting our results to the class. After half term we will be network engineers.

## Our topic

### Anglo Saxons

How did the Anglo Saxons impact on our local area?

As scientists we will be:

Investigating the properties of sound and looking at forces and magnets, how they work and designing our own tests

As historians we will be:

Learning about the Anglo-Saxons and Scots and the legacy they left behind, alongside how this still influences us today.

As geographers we will be:

Learning about the local geography of Hull and the community around us.

How to help at home:

We would appreciate reading with your child for at least 15-20 minutes a day and if necessary helping your child with their homework.

## Class 3 Spring Curriculum Overview
